

MAUVIEL 1830®

M'basic[®]

Enter the world of the professional cook. Efficient, rapid, useful, comfortable and safe are the strengths of this collection. Its' personality conveys the strength of a company with strong professional roots. All the shapes have tubular handles that are made from cold stainless steel. Non drip edges are offered on all products, and the special bottom, which is designed for cooking on all surfaces, including induction, are available from the smallest to the largest sizes. The collection M'basic is made for professionals.
